

COMPANY QUALITY POLICY

Our business is to produce stainless steel and in doing so, to ensure that our customers' product requirements are met.

Our philosophy regarding quality is best described by our slogan:

“PRIME, ON TIME, EVERY TIME”

In pursuance of the above,
we shall strive to:

- Maintain and improve an effective Quality Management System.
 - Demonstrate commitment to the compliance of the Quality Management System and relevant statutory and regulatory requirements.
 - Understand and mutually agree on product quality requirements with our customers.
 - Ensure that adequate quality planning is carried out prior to product manufacture.
 - Ensure that adequate process control and quality control is carried out prior to, during and after product manufacture.
- Maintain product and process data systems to make effective business decisions.
- Continually develop staff to ensure competence.

All our goals and objectives will be aligned with this policy.
