

# OCCUPATIONAL HEALTH & SAFETY POLICY

In our daily business of producing steel, the safety and occupational health of our employees, contractors and interested parties is our top priority. Safety is a way of life where everyone is his/her own Health and Safety Officer and also of their colleagues.

The Company commits to:

- Provide a safe and occupationally healthy working environment for the prevention of work related injuries and diseases and to identify OH&S risks and opportunities.
- Minimise unsafe acts and eliminate unsafe conditions.
- Maintain standards of housekeeping and hygiene industry norms.
- Promote awareness and ensure that our personnel are competent to carry out their duties.
- Comply with legal and other requirements.
- Consultation and participation of interested parties.
- Commitment to continual improvement through our OH&S management system.

All our goals and objectives are aligned with this policy.  
This policy is available to interested parties upon request.
